Vacations will be granted by Section as identified in Item 9. Overall seniority shall prevail, except where otherwise noted (i.e. Maintenance Craft.)

CHANGE OF VACATION SELECTIONS

An employee moving from one Section to another Section will keep their initial vacation selection.

CANCELLATION OF VACATION

If an employee relinquished one or more weeks during the choice leave period, Management shall record the relinquishment on the appropriate posted leave schedule as soon as possible, and that vacation period shall be posted for bids to the employees within that Section. When an employee cancels a vacation, that period of time will be offered to the employee(s), within that Section according to seniority, that originally requested that time period during the original vacation planning, as soon as possible. These employees will have at least 24 hours to decide if they wish to take such leave, provided they have enough leave to cover the time requested.
