CONSTITUTION COMMITTEE UPDATE

October 5, 2018

APWU MEMBERS:

Due to recent questions and concerns from the General Membership on the draft of the proposed Constitution, the Constitution Committee has determined, for the betterment of the entire membership, to suspend the vote on the draft of the new Constitution.

Some of the reasons for this decision are:

1. Members' concerns they were not given ample opportunity for submitting changes.
2. Some proposed changes were not accurately reflected in the final draft.
3. Items in the draft may be found to be in conflict with the National Constitution.
4. Many members did not receive a ballot.

Ballots already returned to the PO BOX will remain sealed (unopened) and stored under lock and key by an outside ballot association.

The Constitution Committee will reconvene to review the proposed constitution and make any necessary changes/corrections for a mailing to the entire Membership for a vote.
