False Dues Increase Rumors

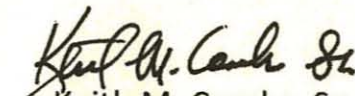

To all members:

Over the last couple of weeks I have received telephone and other contacts from members inquiring as to an increase in union dues. Apparently certain individuals with nefarious motives have started this rumor for the unworthy purpose of stirring up discontent on the workforce.

I assure all members that there has been no increase in local dues during my administration; the last time there was an increase was several years ago during the prior administration, when the membership *approved* the increase during a membership meeting. *Only when you get a contractual increase in pay* will you see an increase in your dues, which is in accordance with the APWU National Constitution.

I trust this clears up any confusion as to your union dues.

In Union Solidarity,

Keith M. Combs, Sr.
President
