

In Grateful Recognition of the Occupy Detroit Movement

The general membership of the Detroit District Area Local of the American Postal Workers Union, AFL-CIO, assembled in a body this date at the regular November membership meeting, do hereby make the following Resolution:

WHEREAS, the Occupy Detroit movement is a part of the greater, world-wide Occupy Wall Street movement, which movement seeks to bring to the attention of the world the unacceptable state of affairs in America, wherein one percent of the population control fifty percent of the wealth of the country, while the remaining ninety-nine percent have to split the other half; and

WHEREAS, the Occupiers are selflessly giving of their own time, living out in the elements and making public demonstration with their bodies in order that attention may be drawn to the unequal distribution of wealth in this country, and that attention may be drawn to wealth improperly influencing government, and

WHEREAS, the Occupiers have attracted national as well as local attention to the above-mentioned wrongs, and have moved the public debate in the direction of change, and

WHEREAS, the Occupiers are leading a proper struggle on behalf of all of us,

The Detroit District Area Local of the American Postal Workers Union hereby votes its complete and thankful support to the members of Occupy Detroit.

Unanimously passed this Sixth Day of November, 2011.
